# Tournesol Quick Ship

## About Tournesol

Headquartered in Northern California, Tournesol Siteworks focuses on innovative solutions for the commercial landscape market. Our brand is centered around relationships, trust, loyalty, and delivery - striving to make our customers, specifiers, and partners successful. Our quality products include pots & planters, container irrigation, site furnishings, and other components for urban landscape infrastructure.

## Freight Information

- Products shipped via LTL carrier. Shipping estimate provided at time of order.
- All products are shipped freight prepaid and billed to take advantage of the discounted rates we receive from freight lines. All freight will be shipped FOB Union City, CA, El Paso, TX, or Port Orchard, WA.
- For extra freight requirements, please indicate prior to shipping for freight estimate to be valid; requests may include liftgate service, delivery appointments, driver assistance, or other additional services.
- All freight charges include a surcharge for packaging and handling. You are free to arrange your own freight, although we reserve the right to add a 2% packaging & handling charge for all will-call orders. Surcharge may be higher for GFRC orders.

## Tournesol Siteworks Limited Warranty

Tournesol Siteworks LLC warrants to the initial purchaser of its products that they will repair or replace product that contains a defect in material or workmanship for a period of three years from the date it is delivered to the initial purchaser. This limited warranty does not include those parts which fall under standard regular maintenance, including but not limited to parts which are subject to periodic replacement. Timers, controls, pumps, and lamps delivered with turnkey fountains are covered for a period of one year from the date they are delivered to the initial purchaser. The warranty does not apply to conditions resulting from misuse, abuse, failure to follow directions for use, unauthorized modifications, neglect, accident or other hazard or the like. Defects in wood materials does not include naturally occurring weathering of wood, including bleaching, checking, twisting or other wood movement. Contamination by non-destroying organisms such as surface mold, mildew or algae is not regarded as damage covered by the warranty. Failure of Greenscreen trellis product is defined as structural failure of the wire or sufficient incidents in any panel that would result in the panel's inability to perform in a structural or safe manner under the intended application and use. The remedy under this warranty is limited to repair or replacement, at Tournesol Siteworks' option, of the defective parts of the warranted product. Repair or replacement of a part does not extend the warranty beyond the initial warranty period. This is the only written warranty applicable to the product. The duration of the implied warranty on the product is limited to the duration of this express warranty. In no event shall Tournesol Siteworks be liable for any incidental or consequential damages. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.
