

Huddle Table

A blend of bistro and urban feel, our Huddle table is modern, versatile, and well-suited for various indoor and outdoor spaces. The Huddle's round, powder-coated steel table, perched on a freestanding pedestal base, is available in both bar and café heights.

Huddle Table

- Flat top and base made from 1/4" thick laser-cut steel plate
- One diameter top: 30"
- Two heights: café (30") and bar (42")
- 3" steel pipe pedestal support, fully welded
- Available in many powder-coat colors
